

MA'EMA'E SCHOOL & COMMUNITY FOUNDATION

PROUDLY PRESENTS

2018 CASINO NIGHT & SILENT AUCTION

UNDER THE MONKEYPOD TREE

Let's all rally together to carry on our TRADITION FOR EXCELLENCE and support the MSCF efforts to meet the needs of our Ma'ema'e keiki. We are embarking on a 3-year plan to restore Ma'ema'e School playgrounds and Land Restoration. Our students need safe and sound playgrounds to regularly address students physical development needs, which are integrally linked to students optimal cognitive growth. These fields are used everyday, year round by our students as well the community groups. A major feature of the evening is to honor Mr. **Charlie Higa** (Zippy's Founder/Owner), and Mr. **Alvin Okami** (KoAloha Ukulele Founder/Owner). MSCF will present our Maika'I Loa Award to our third Outstanding Alumni class to salute them for their professional achievement and service giving to Hawaii as well as to our Ma'ema'e School Ohana. We invite you to join us at our 4th annual dinner and auction gala.
